

ACCC 2023 Spring Roundup Competition

Sedona Camera Club Member,

I wanted everyone in the club to know about your opportunity to enter the ACCC Spring Roundup. SCC is about learning through speakers, sessions, and monthly critiques.

Arizona Camera Club Council is our state camera club, of which the Sedona Camera Club is a member. Twice a year, they sponsor a competition for all the camera clubs in Arizona to compete. Some members might be afraid to enter their images in a big competition like this. Still, I am here to tell you what a great feeling it is to win a First, Second, Third, or Honorable Mention, or just for your image to be accepted to be shown at the roundup is a great honor. If your image was very effective or exceptional in our critiques, it might do well at the ACCC.

I would say our photographers in the club are some of the most talented in our state. The ACCC knows how a few members, like John Gafford, Pam Holmes, and Elaine Belvin, do exceptionally well in this competition; if you are unsure about entering this type of competition, the next time you see them ask why they enter the ACCC Roundup Competition?

Fun Fact:

Phoenix Camera Club entered 203 entries in the 2022 Fall Roundup which 37 images got Honorable Mentions or 18% of their entries.

Sedona Camera Club had 22 entries in the 2022 Fall Roundup which 5 images got Honorable Mentions, or 30% of our entries.

Just think, if we could enter 203 entries with over 100 SCC members. That would be 61 Honorable Mentions.

Deadline: The image closing date will be **Friday, February 10th, 11:59 pm MST.**

Here is the essential information to try it and enter your images for the 2023 Spring Roundup.

Print Image Competition

Your ACCC representative must submit prints before February 11th. Currently, I am your representative, and if you are interested in entering your prints, please bring them to the January 30th SCC meeting. You will need to click on the rules link below to learn more.

Digital Image Competition

Image size requirements are 1920 x 1080 pixels with a file size of up to 3MB
